

Beverly Ann Walsh
15th May 1937 - 1st August 2026

Bev was a wonderful Mother, Grandmother, Great Grandmother, Sister and Aunt. Raised in Ohakune she was one of 5 siblings, one of whom (Bill Towns) is also remembered here at Cue Haven. Married to Des in 1953 together they not only raised a family of 4 sons but were committed to helping others in the community. When the next generations came along Bev was always there for all of them. She is greatly missed but her love, spirit and memory will live on through her family.
